

The text '21 DAYS OF PRAYER' is rendered in a bold, sans-serif font. The letters are filled with a teal-colored marbled pattern, which consists of organic, swirling shapes in various shades of green and blue. The background of the entire image is a solid, bright white. The text is arranged in two lines: '21 DAYS' on the top line and 'OF PRAYER' on the bottom line, with the '21' being significantly larger than the other characters.

**21 DAYS
OF PRAYER**

21 Days

Every year we take time to practice the discipline of seeking God first. We do this because we know that God shows up far beyond what we expect or imagine.

During this time we see how the power of prayer impacts the entirety of our daily lives including but not limited to our work, family, and all other relationships.

We are so excited that you have chosen to join us in seeking God with all our might for 21 days with hopes that this practice spills over to our everyday lives, 365 days a year.

During this time of praying and seeking, we will fast as well.

FASTING: Rules of Engagement

No Sugar • No Social Media • No Binging on TV • No Secular Music • No Gaming systems, phone games, etc. •

You can eat what you want but only water to drink.

Nothing to Eat after 9pm

P. Praise him for all he does and is doing in, around and through your life.

R. Repent... Going to God with a heart of repentance produces humility and shows our appreciation for his Grace and Mercy that has sustained us to the moment.

A. Ask... Pray Big, ask God why, ask God when, Ask God who, Ask God where... Ask him from your heart the things you want to know. Be mindful that God doesn't respond like we do and it's not always immediate. Also remember that while I do believe that God still speaks audibly; he primarily speaks through his written word and Godly leadership and community. So don't be so stuck that you miss him talking through the friend that sits beside you in church.

Be specific in your prayer and supplication to God. Be sure to get all the details in as you pray to God, so that you recognize the answer when it shows up.

For example... If you're going to pray for a new job, tell God what type, what employer, what salary range, what state, city, etc.

Y. Yield: Accept what God allows and his answer. Trust that he knows much better than we do. Yielding to the will of God above our will always places us in the right place to receive what God perfectly has stored up for us.
